Behaviour Agreements

We want your child to have a positive and fun time whilst with us, so it's important that we set out the principles to achieve this.

Our Golden rules are:

- To be kind
- To do good listening
- To look after property
- To be honest
- To be gentle to others
- To be careful and sensitive in our environment
- To tidy up after ourselves
- To tell an adult if we are sad or lonely
- To line up quickly & quietly
- To have fun - laughter is the best medicine

These rules were made by the children in our setting who all agreed by expecting, encouraging and following these Golden rules we can all trust that we can play and learn in a stress free environment.

Our setting has a performance chart in place and if your child/ren do not follow these rules and they have been on red more than 3 times in 1 week, Staff will arrange a meeting with parents/carers to implement a support plan for your child. If the behaviour continues and your child remains on red your child/ren will be excluded for a session, if an exclusion has taken place on 2 occasions your children will not be given a 3rd chance and will lose the place permanently. This is non-negotiable.

We take behaviour very serious at brickworks and we strive to the best of our abilities, so everyone enjoys themselves in a happy, safe & secure environment.

Parental/Carers involvement is also a fundamental part of the setting so we expect parents/carers to set an example. Responsibilities of parents/carers:

- Establishing good communication with staff
- To support our behaviour policy fully
- To be respectful of staff/others
- To not display any signs of verbal/physical abuse towards adults or children

Any signs of verbal/physical abuse towards adults, parent's or children within the setting will mean that you will be removed from the premises permanently and you will need to make other arrangements for your child/ren to be collected from the setting.

By registering your child for a place at the setting, it is a requirement that parents, carers and children agree to all the above rules and that they have read and understood the guidelines for behaviour and agree with the possible consequences for behaviour concerns. Parents and carers understand that they will be consulted regarding their child/ren, should they have behaved in a manner which is against the rules and will support the staff to achieve a fun, safe and secure environment.

If you have any concerns about a child's behaviour, our responses or have any comments about this agreement, please contact a member of staff.

Please also take a look at our complaints procedure which is displayed on our notice board.
