Welcome to TRAIID. We offer a convenient way to donate clothing using our free home collection service

## What can you donate?

- Clean, good quality clothes (men's, women's & children's)
- Paired shoes
- Bags
- Jewellery and accessories
- Household linens (excluding duvets and pillows)

## Why donate to TRAIID?

By donating clothes to TRAIID, you'll be saving good quality clothes from going to waste and passing them on for someone else to wear.

As a charity retailer, TRAIID collects, sorts, and resells clothes, to fund good causes and influence real change in the fashion industry, like supporting organic cotton farmers, garment workers and their children.
