

YOUNG ELITE MANAGEMENT

Dear Contact,

Hope all is well! Young Elite Management (YEM) is currently partnering with schools like yours to offer students advanced coaching in their sports of choice and beyond. We are an innovative mentoring programme designed to develop student-athletes in ways that help them succeed both on the field and in life. YEM was founded by dedicated professionals who studied at UCFB Wembley who graduated with an international football business degree (Hons), as well as multiple accreditations in mentoring (Level 3 qualified) and coaching qualifications from Tottenham FC.

The YEM philosophy is based on the belief that every child deserves to excel, regardless of his or her access to services. Our customized mentoring programme incorporate one-on-one support that addresses the whole individual, combining goal setting/achievement, mental health, physical fitness, and sportsmanship.

By partnering with YEM, your school becomes part of a larger effort to improve the lives of boys and girls throughout the community, promoting the lifelong benefits of sports and academics. In addition, our programme we provide:

1-2-1 tailored mentoring for personal development and sport enhancement (this includes nutrition plans and personal consultancy)

Employment opportunities for people of all walks of life who are willing to mentor

Accelerated coaching for young football players from underserved areas

Life skills training to prepare young people for the future.

Opportunities for children of all backgrounds to stay engaged in positive activities

Prince Trust, Sported, UCFB Wembley, Barclays, Tesco, Groundwork, Asda foundation, Skills builder, Social enterprise UK, London Youth are among our growing list of supporters. To help your students take advantage of all that we offer, we are currently accepting in-house school referrals from both PE and inclusion department professionals.
