

Black History Exhibition

Oct 4th - 26th Oct 2024

Event Overview:

This four-week cultural event, curated by Deborah Hillaire, aims to explore the rich cultural ties between Africa, the Caribbean, and the UK. Each week will focus on a different theme, reflecting the journey of the African diaspora through food, beaches, music, festivals, and visual storytelling. The event will culminate with an International Food Celebration on the final Friday of October, bringing together diverse communities for a celebration of shared heritage.

Deborah Hillaire will be available on Fridays from 11 am to 1 pm to discuss the project and its significance for local communities, particularly focusing on the historical connections and cultural continuity between Africa, the Caribbean, and the UK.
