

Bubble & Speak

A place like no other for children aged 0 to 4
and their carers to gather, play and talk.

Bubble and Speak offers a welcoming space for children under 4 years of age and their parents or carers. A place like no other for children and their carers to gather, play and talk.

Everyone with a child in this age group is welcome, including expecting parents. At Bubble and Speak children can begin to socialise and meet their peers while still in the comforting presence of their parent or carer.

Our workers, called 'welcomers', oriented by psychoanalysis, are available to everyone who comes, through exchange, play, sharing and listening.

Our aim is to support young children in the awakening of their individuality and their parents and carers in the challenges of raising them.

12 Woodfall Road, Finsbury Park, N4 3JB
Every Monday (Term time, from 9.30am-12pm)
